

PLAYER CLEARANCES

All players, both junior and senior are required to apply for a clearance if they wish to change clubs. This will be done in accordance with the system provided by the GABA. The only restriction to deny a clearance is if the member is unfinancial.

WHO CAN APPLY FOR A CLEARANCE

Anyone can apply for a clearance from any club providing the Restricted Player (see GABA Rules page 9) or a Junior Representative Player (see GABA Rules page 7) rules are complied with.

HOW TO APPLY FOR A CLEARANCE

- The player is to contact the club president/delegate of the club they wish to transfer into.
- The club president/delegate will apply for an online clearance on the player's behalf from the club they wish to leave.
- The responding club has 7 days to approve/deny the clearance.
- If they have not responded by the 8th day GABA Administration will automatically approve the clearance.
