

The Geraldton Amateur Basketball Association (GABA) is currently running a campaign to raise funds to build a new 4 Court Stadium behind our existing stadium. We are very advanced in our project and are currently seeking the support of the City of Greater Geraldton and the WA State Government to help us financially.

Basketball is a huge part of the Geraldton community and one of the fastest growing sports in Australia. Our stadium attracts large numbers throughout the year and once the new stadium is complete, we envisage this audience to only grow further.

We are looking for support from our local community and are offering opportunities on our Eastern internal wall for advertising along with naming rights sponsors for courts 2 and 3. The Eastern wall is shown in the first picture at the end of court 3 and the second picture shows courts 2 and 3 for naming rights.

Signage packages on Eastern Wall – Two options

1. 2400 x 1200 sign at \$500 per year, ex GST (Cost to produce corflute sign as a one off is \$280 ex GST)
2. 4800 x 2400 sign at \$1500 per year ex GST (Cost to produce corflute sign as a one off is \$960 ex GST)

Court 2 or 3 naming right packages

1. Naming rights for court 2 or 3 includes 2 x (2.4m x 1.2m) ACM signs at each end of the court above the backboard along with 2 x (5m x 1.2m) stickers at each end of the court on the baseline. To sponsor either court is \$5000 ex GST per year (Cost to produce stickers and ACM signs are a one off \$2,410) To get value out of the signage and sticker production we would recommend a three or five-year sponsorship deal. The bottom two pictures show what our court sponsors will benefit from on the two courts

If you are interested and would like to book your spot, please Greg Brown on 0418 930 412.
